Newsweek - America's Best Plastic Surgeons 2024

June 12<sup>th</sup>, 2024

Dear Dr. William Lao,

Newsweek and Statista are proud to announce that **Dr. William Lao**, has been awarded **America's Best Plastic Surgeons 2024**. ~~This is an exclusive list of only 150 doctors in the country.~~ Congratulations on this achievement!

In an era of informed decision-making, it is increasingly important for patients to make well-founded choices about which doctor to consult for their specific condition. To support this process, Statista and Newsweek have partnered to provide a comprehensive resource: **America's Best Plastic Surgeons 2024**.

The ranking was released on the Newsweek website on **June 12<sup>th</sup>** and published in the enclosed print edition of Newsweek Magazine.

**America's Best Plastic Surgeons 2024** were determined based on three data sources:

- **Online survey by state:** During the survey period from March to April 2024, thousands of medical experts (physicians with knowledge in the field of plastic surgeons, managers/administrators, and other medical professionals in the field of plastic surgeons) were invited to an online survey via Newsweek.com.
- **Quality Score:** For recommendations in their own state, participants were asked to assess the quality of care (e.g. treatments, follow-up care, use of most recent equipment) for each plastic surgeon.
- **Certifications:** Board certification by the American Board of Plastic Surgery was taken into consideration for all eligible plastic surgeons.

The plastic surgeons were awarded in five cosmetic surgery procedures: Breast Augmentation, Liposuction, Facelift, Rhinoplasty, and Eyelid Surgery.

Based on the results of the study, **William Lao, MD** is honored to be recognized on Newsweek's list of **America's Best Plastic Surgeons 2024**.
